

What we do.....

Technical Support & Consultancy

Practical Work Experience & Training

Practical Research & Development

Timely shelter recovery,
incorporating DRR, largely
determined by skills

Design

Skills

- Knowledge
- Experience
- Dexterity

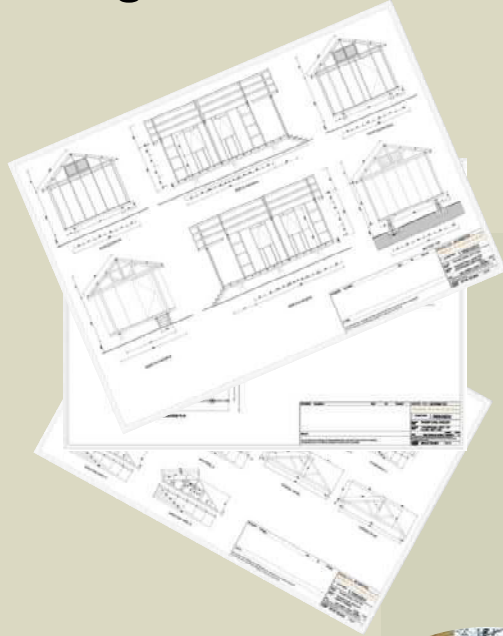

Materials

Thinking about timber....

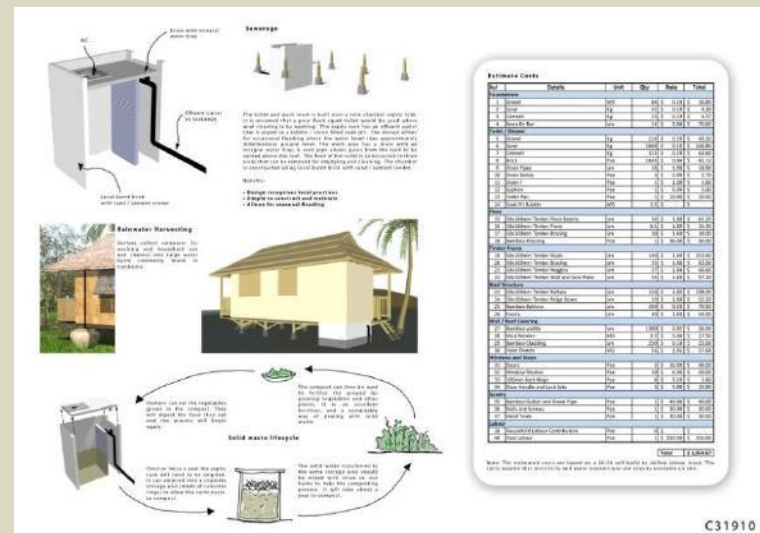

Design and Production...

With a little help.....

Ideas for application...

What's next...

- Foundation Design– Ground Bearing and Suspended
- Cladding Options – Roof and Walls
- Hazard Specific Design and Construction Details
- Adaptation
- Thermal Performance – Cold / Hot Climate
- Ventilation
- Joinery – Doors and Window Design and Manufacture
- Public Buildings
- Urban Multi Occupancy – 2 Storey Platform Frame
- Mobility Access
- Off-Site Manufacturing
- Logistics Tools
- Training Material
- Field Testing

What do we need...

- Funding
- Technical input
- Venue / Project for field tests
