*“There is no shortage of housing problems –
what is needed are solutions.”*

world habitat awards

- Established in 1985
- One of 3 core World Habitat projects (World Habitat Awards, European Homelessness and Community Led Housing)
- Two winners per year (Global North / Global South)
- 1985-2018: WHA Winners and Finalists from 85 countries
- Entries to the 2020 competition can be made from 1 January 2020 until 31 March

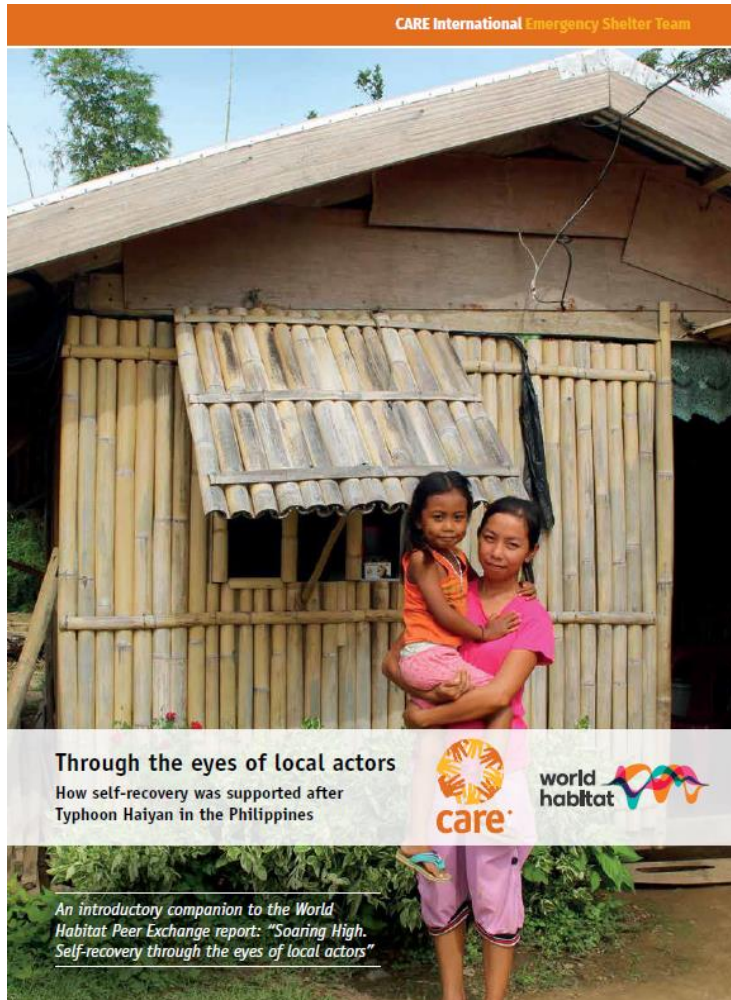

Peer exchanges and knowledge transfer

- In-depth understanding of technical, social and financial aspects of each award-winning programme
- Sharing experiences and knowledge between hosts, residents, peer exchange participants and World Habitat
- Transfer of knowledge and experience to different countries / contexts
- Follow up activities and outputs e.g. blogs, reports, resources

Soaring High – Self-Recovery through the eyes of local actors
