BHA-GSC Project

Goal: Strengthened shelter and settlements responses that more effectively meet the emergency and transitional humanitarian shelter and settlements needs of the people affected by humanitarian crises.

Start date: 1 October 2020

Duration: 24 months

Total Cost: USD 1.9M

Recipient:

IFRC on behalf of the cluster

Result 1: Improved humanitarian shelter and settlements planning and implementation processes, leading to increased emergency and transitional coordination and response capacity.

Result 2: Enhanced humanitarian shelter and settlements practice, through an integrated system of analysis and learning, informing widely shared policy and guidance

ECHO-GSC Project

Result: Shelter responses become more environmentally sustainable at country and global level

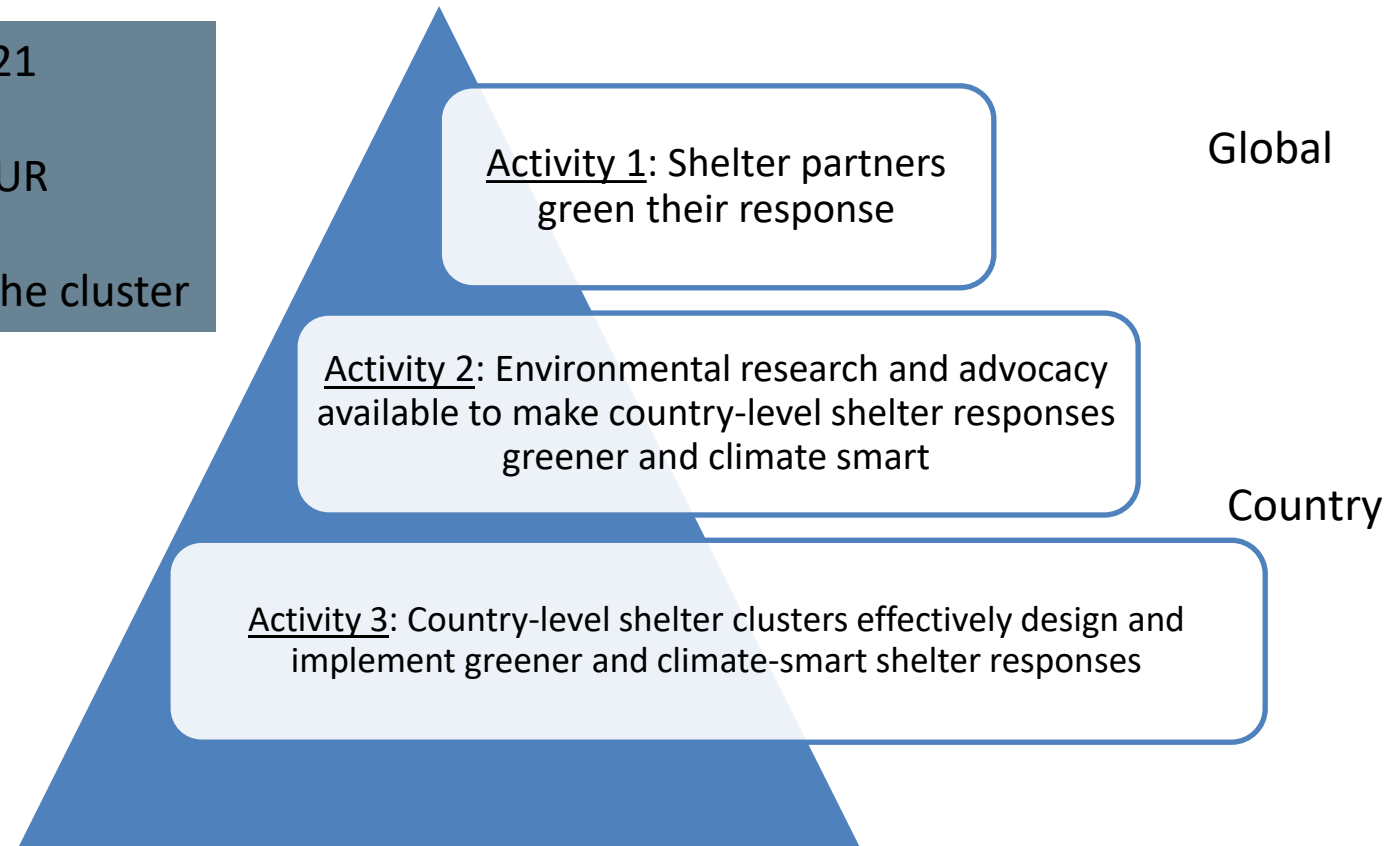

Start date: 1 April 2021

Duration: 24 months

Total Cost: 930,571 EUR

Recipient:

UNHCR on behalf of the cluster

GSC meeting

Online, annual event, similar objectives and structure as in the past (53 sessions, +1,000 participations).

7-17 June country-level updates as satellite events before and after. Open to everyone and recorded.

Theme: Shelter and settlements in a changing environment
