# Fire Safety in Humanitarian Shelter and Settlements

UK Shelter Forum, April 2021

# Quick introduction

Our goal is to develop best practice to reduce deaths, injuries and losses from fire in humanitarian contexts through inter-agency and inter-cluster coordination

# March 22<sup>nd</sup> fire in Rohingya Camps Cox's Bazar, Bangladesh

## KEY FIGURES

3

Camps affected

10,100

Households without  
shelter

48,300

Individuals directly affected

## KEY OBJECTIVES OF AID RESPONSE

### 1 ASSIST

vulnerable people  
with immediate,  
lifesaving needs  
as a result of the  
fire.

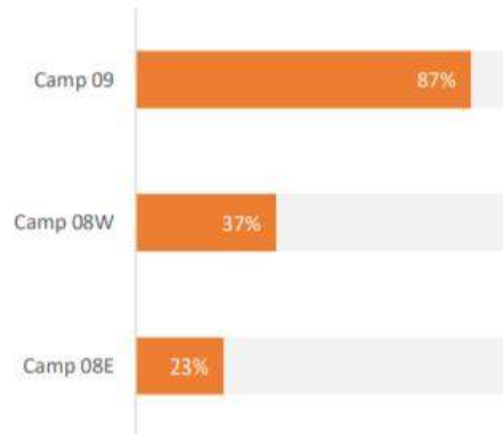

### 2 REBUILD

shelters and repair  
damaged facilities to  
restore essential  
basic services for  
vulnerable people in  
need.

### 3 PREPARE

and improve fire  
prevention  
mechanisms in  
the camps.

Estimated total affected households as a  
percentage of camp population (based on UNHCR  
February 2021 population figures)
